Opening Remarks:-

At the outset the Chief Engineer(WB) welcomed the representatives of various prospective bidders for the “Consultancy Services for Road Sector Policy & Institutional Development Studies & Action Planning”

Chief Engineer (WB) mentioned that PIU has received queries from two consultancy firms in last three days. He mentioned that PIU endeavors to clarify the queries but the final clarification will be issued only after the World Bank’s consultation. Each query was read out and PIU’s stand was clarified. After having clarified all the written queries, Chief Engineer invited to raise any further clarification. No further queries were raised. Chief Engineer (WB) further stated that clarification will be issued after World Bank’s consultation.

The meeting ended with a vote of thanks to the chair.

Superintending Engineer
