DISCLAIMER

The information contained in this Request for Qualification document (the “**RFQ**”) or subsequently provided to Applicant(s), whether verbally or in documentary or any other form, by or on behalf of the **Government** (as defined in clause 1.1.1 below) or any of their employees or advisors, is provided to Applicant(s) on the terms and conditions set out in this RFQ and such other terms and conditions subject to which such information is provided.

This RFQ is not an agreement and is neither an offer by the Government to the prospective Applicants or any other person. The purpose of this RFQ is to provide interested parties with information that may be useful to them in the formulation of their Application for qualification pursuant to this **RFQ**. This RFQ may not be appropriate for all persons, and it is not possible for the Government, its employees or advisors to consider the investment objectives, financial situation and particular needs of each party who reads or uses this RFQ. Each Applicant should therefore, conduct its own investigations and analysis and obtain independent advice from appropriate sources, for taking participation in the bidding process including qualification.

Information provided in this RFQ to the Applicant(s) is on a wide range of matters, some of which depend upon interpretation of law. The information given is not intended to be an exhaustive account of statutory requirements and should not be regarded as a complete or authoritative statement of law.

The Government, its employees and advisors make no representation or warranty and shall have no liability to any person, including any Applicant or Bidder, under any law, statute, rules or regulations or tort, principles of restitution or unjust enrichment or otherwise for any loss, damages, cost or expense which may arise from or be incurred or suffered on account of anything contained in this RFQ.

The issue of this RFQ does not imply that the Government is bound to select and qualify Applications for Bid Stage or to appoint the selected Bidder or Concessionaire, as the case may be, for the Project[s] and the Government reserves the right to reject all or any of the Applications or Bids without incurring any liabilities to Applicants or Bidders.

1. INTRODUCTION

1.1 Background 1.1.1 The Government of Gujarat (“GOG or “Borrower”) through the Government of India has obtained loan from the International Bank for Reconstruction and Development (IBRD) (herein after called “the Bank”) towards the cost of the Gujarat State Highways Project - II (GSHP-II). It is intended that part of the proceeds of this loan will be applied to eligible payments for this Project under the DBFOMT (Annuity) contract.

The Roads and Building Department (the “Government”) is engaged for the development of State Highways and as part of this endeavour, the Government has decided to undertake four laning of 61 km long corridor between Mehsana and Himatnagar at the Estimated Project Cost of Rs. 3342.8 million through public-private partnership (PPP) on Design, Build, Finance, Operate, Maintain and Transfer (DBFOMT) on Modified Annuity Concept with a Concession period of 12 years including construction period of 2 years.

The Government has decided to carry out the Bidding Process for the selection of the bidder to whom the Project may be awarded. The Bidding will be conducted through the International Competitive Bidding (ICB) procedures specified in the World Bank’s Guidelines by World Bank Borrower: Procurement of Goods, Works, and Non-Consulting Services under IBRD Loans and IDA Credits & Grants, January 2011. The bidding process would be in two stages, the first being shortlisting followed by second of selecting preferred bidder. The bidding process would culminate with the preferred bidder forming a Special Purpose Vehicle (SPV) who would be the concessionaire for the project as mentioned in para 1.2 herein below.

1.1.2 The Bidder has to meet with eligibility criteria as specified in para 2.2 herein below.

1.1.3 The scope of work will broadly include, Design, Build, Finance, Operate, Maintain and Transfer of the existing State Highway to two/four-lane standard by improving horizontal and vertical alignments, construction of new pavement, construction and/or rehabilitation of major and minor bridges, culverts, road intersections, drains, road and environment safety and the operation and maintenance thereof. The length of corridor is 60.75 km. having existing 10 m carriageway. This is to be four lane with 0.8 m median and to be

accommodated within available 30 m of ROW. There is one additional major bridge and repairing of 50 culverts.

The Applicants are advised to refer to the Project Information Memorandum attached as Appendix VI for further broad details of the Project.

- 1.1.4 The Estimated Project Cost is as specified in Clause 1.1.1 and includes the estimated construction cost, the financing costs, and physical and price contingencies. This Estimated Project Cost provided in this RFQ is indicative and for purpose of calculating the Threshold Technical Capacity and Financial Capacity set out in Clause 2.2.2 below. The Government shall receive Applications pursuant to this RFQ in accordance with the terms set forth herein as amended from time to time by the Government, and all Applications shall be prepared and submitted in accordance with such terms on or before the date specified in Clause 1.3 for submission of Applications (the “Application Due Date”). The Estimated Project Cost may subsequently be revised in the RFP.
- 1.1.5 The Concessionaire is not entitled to levy and collect toll. The GOG may procure a toll collecting agency separately. The Revenues from the tolling of the Project, if any, at the sole discretion of the GOG, will accrue to the GOG.
- 1.1.6 The Government shall appoint a consultant engineering firm to be the independent consultant under the Concession Agreement (the “Independent Consultant”). The mobilization of the Independent Consultant shall be made on mutually agreed date between the Government and the Concessionaire.
- 1.1.7 The Concessionaire shall take all reasonable steps in the implementation of the Project with regard to the environmental and social safeguards policies specified for the GSHP II and other related statutory acts and policies of the GOG. The Authority will provide land free of encumbrances as specified in RFP document and the Concessionaire is expected to maintain Right of Way in the manner specified in the RFP document.
- 1.1.8 “Modified-Annuity” Structure shall be the base of the Contract wherein the Government provides 40% of the Estimated Construction Cost to The Concessionaire, as Cash Support-During Construction, which is fully financed from the World Bank under the GSHP II. Semi-annual payments (annuities) during the operating period of 10 years of the Concession would be made by the Government as indicated in the RFP.

- 1.2 Brief description
 - 1.2.1 The Government has adopted a two-stage process (collectively referred to as the “Bidding Process”) for

of Bidding
Process

selection of the Bidder for award of the Project. The first stage (the “Qualification Stage”) of the process involves qualification (the “Qualification”) of interested parties/ Joint Ventures who make an Application in accordance with the provisions of this RFQ (the “Applicant”), which expression shall, unless repugnant to the context, include the Members of Joint Ventures.

The Government in consultation with the WB has decided to take up the first stage of bidding process electronically. Electronic process will be adopted using the n-code solution portal <http://rnb.nprocure.com>. Bidders are advised to get themselves fully acquainted with the processes from the above web site. A brief description of the system and process is given in **Annexure A** for indicative guidance only.

The Request For Qualification (RFQ) document may be downloaded for free from the web site <http://rnb.nprocure.com>. The bidder will have to furnish completed RFQ document with requisite details / certificates online on/before the due date for submission.

The Government shall not be held liable for

- any delays and/or
- Non receipt of information /document and/or incomplete information / document received from the bidder.

Though the electronic system notifies bidder of changes in information uploaded by the Government, the Government shall not be liable for any information not received by the bidder. It is the bidders’ responsibility to verify the website for the latest information related to the Bid.

Applicants must satisfy themselves that they are qualified to bid, and should give an undertaking to this effect in the form at Appendix-I.

1.2.2 In the Qualification Stage, Applicants would be required to furnish all the information specified in this RFQ. Only those Applicants that are qualified by the Government shall be invited to submit their Bids for the Project(s) during the Bid Stage. The Applicants are advised to visit the site and familiarise themselves with the Project at an early stage/date, since the Government is likely to provide limited time for submission of Bids for the Project. At the end of this Qualification Stage, the Government expects to announce qualified Applicants who shall be eligible for participation in the second stage of the Bidding Process (the “Bid Stage”) comprising Request for Proposals (the “Request for Proposals” or “RFP”) for the Project.

1.2.3 In the Bid Stage, the qualified Applicants will be called upon to submit their financial offers (the “Bids”), in accordance

with the RFP and other documents to be provided by the Government. The qualified Applicants shall have to purchase the RFP document on payment for tender document and processing fees which will be Rs. 18,000/- (Rupees Eighteen thousand only).

- 1.2.4 In terms of the RFP, Bidders will be required to deposit, along with its Bid, a bid security according to the terms and conditions that would be specified in the RFP
- 1.2.5 The Letter of Award (the “LOA”) would be issued within the Bid Validity Period by the Government to the Bidder who has quoted the lowest Annuity (the Lowest Evaluated Bidder), the same shall be determined by the Government through evaluation and comparison of Bids for this project on the basis of RFP and in the manner it is detailed out in the RFP. The required follow up actions i.e. acceptance of LOA, SPV formation, Signing of Concession Agreement, Financial Closure etc. would be as specified in RFP.
- 1.2.6 As part of RFP, the Government will provide a draft Concession Agreement and other information pertaining to the Project available with it.
- 1.2.7 Bids will be invited for the Project on the basis of Annuity required by a Bidder for implementing the Project in accordance with the Concession Agreement. The required concession period is estimated to be 12 (Twelve) years including construction period of 2 (Two) years.

2. INSTRUCTIONS TO APPLICANTS

A. GENERAL

2.1 Scope of Application The Government wishes to receive electronically Applications for Qualification in order to qualify experienced and capable Applicants for the Bid Stage.

Qualified Applicants shall be subsequently invited to submit the Bids for the Project.

2.2 Eligibility of Applicants 2.2.1 For determining the eligibility of Applicants for their qualification hereunder, the following shall apply:

- (a) The applicant must be a single company or JV of not more than 3 companies.
- (b) The applicant company (or the lead member of a JV) must have been incorporated as company under the prevailing company acts/laws of country of registration.
- (c) The country of registration, and countries of registered offices of members of JV in case of JV, must be an eligible country as defined herein after.
- (d) The Applicant, and members of applicant in a JV, can participate in one bid only.

Eligible countries: Eligibility for the Provision of Goods, Works and Services in Projects financed by the International Bank for Reconstruction and Development (IBRD- World Bank):

(i) In accordance with Para 1.8 & 1.9 of the Guidelines by World Bank Borrower: Procurement of Goods, Works, and Non-Consulting Services under IBRD Loans and IDA Credits & Grants of January 2011, the Bank permits firms and individuals from all countries to offer goods, works and non-consulting services for Bank-financed projects. As an exception, firms of a Country or goods manufactured in a Country may be excluded if:

Para 1.10 (a) (i): as a matter of law or official regulation, the Borrower's Country prohibits commercial relations with that Country, provided that the Bank is satisfied that such exclusion does not preclude effective competition for the supply of the Goods or Works and non-consulting services required,

or

Para 1.10 (a) (ii): by an Act of Compliance with a Decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, the Borrower's Country prohibits any import of goods from that Country or any payments to persons or entities in that Country.

(ii) For the information of borrowers and bidders, at the present time firms, goods and services from the following countries are excluded from this bidding:

(1) With reference to paragraph 1.10 (a) (i) of the Guidelines: *none*

(2) With reference to paragraph 1.10 (a) (ii) of the Guidelines: *none*

(e) A Joint Venture of companies shall be eligible for consideration subject to the conditions set out in Clause 2.2.6 (A) below.

(f) Any Applicant found to have a conflict of interest (the 'Conflict of Interest') shall be disqualified. An Applicant, a Joint Venture Member, or its Subsidiary may be considered to have a Conflict of Interest with one or more Applicants, its Joint Venture Member or Subsidiary in this Bidding Process, if:

(i) They have a controlling partner in common, except in case where such controlling partner is a bank, insurance company, pension fund, or a public financial institution referred to in respective sections of the Companies Act, 2013 and 1956. Applicants can view the provisions of respective sections of the Companies Act, 2013 and 1956 at <http://www.mca.gov.in>. The indicative list of Public Financial Institutions is annexed at Appendix V. The Applicants are advised to ascertain the updated list of Public Financial Institutions from the available sources; or

(ii) They receive or have received any direct or indirect subsidy from any of them; or

(iii) They have the same legal representative for the purposes of this Bid; or

(iv) They have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the bid of

another Applicant, or influence the decisions of the Government regarding this Bidding Process; or

(v) The Applicant participates in more than one Application in this Bidding Process either individually or as a Member in a Joint Venture. Such participation by the Applicant in more than one Application will result in the disqualification of all Applications in which such Applicant is involved. However, this does not limit the inclusion of the same subcontractor in more than one Application; or

(vi) An Applicant or any of its Subsidiaries participated as a consultant in the preparation of the design or technical specifications related to the Project, that are subject of the bid; or

(vii) An Applicant or any of its Subsidiaries has been hired (or is proposed to be hired) by the Government as Project Manager for the GSHP II.

(g) An Applicant or any Member of a Joint Venture that has been sanctioned by the Bank in accordance with the Bank's Guidelines on Preventing and Combating Corruption in Projects Financed by IBRD Loans and IDA Credits and Grants, shall be ineligible to be awarded a Bank-financed contract, or benefit from a Bank-financed contract, financially or otherwise, during such period of time as the Bank shall determine.

2.2.2 To be eligible for Qualification, in addition to meeting the Test of Responsiveness as per Clause 2.17, an Applicant shall fulfil the following conditions of eligibility on its own or through a Subsidiary, provided it is part of the Applicant's Application:

(A) Technical Capacity: For demonstrating technical capacity and experience (the "**Technical Capacity**"), the Applicant shall, over the past 5 (five) financial years preceding the Application Due Date, have:

- (i) Paid for, or received payments (i.e. eligible Experience) for, construction of Eligible Project(s) in Categories 1, 2, 3 and/or 4, as specified further in Clause 3.1.1 ; and/or
- (ii) Paid (i.e. eligible Experience) for development of Eligible Project(s) in Categories 1 and/or 2, as further specified in Clause 3.1.1; and/or
- (iii) Collected and appropriated revenues (i.e. eligible Experience) from Eligible Project(s) in Categories 1

and/or 2, as further specified in Clause 3.1.1

Each of above eligible experience shall be multiplied by the factors indicated in table of para 3.1.6 to arrive “total experience” of each eligible project. The sum of “total experience” of all the eligible projects (i.e. Technical capacity) shall be equal or more than twice the amount of the Estimated Project Cost for the project listed in Clause 1.1.1 (the “Threshold Technical Capacity”). However, at least one fourth of the Threshold Technical Capacity shall be from the Eligible Projects in Category 1 and/ or Category 3. Applicants may apply for qualification for one or several of the projects listed in Clause 1.1.1. Annex II of Appendix I provides the instructions and tables for the above calculations.

O & M Experience: In case the Applicant is a single entity, it shall have either by itself or through its Subsidiary, provided it is to be part of the Applicant’s Application, experience of one year or more, not including the Defect Liability Period, continuously in operation and maintenance (O&M) of at least one Project of minimum length as given in the Clause 3.1.8 for respective package. The Applicant shall, in the case of a Joint Venture, include a Member who has equivalent O & M experience of its own or through its Subsidiary, provided it is part of the Applicant’s Application, and such Member shall subscribe and continue to hold at least 10% (ten per cent) of the subscribed and paid up equity of the SPV till the end of Concession Period. The Applicant should furnish details of the O&M experience as per format at Annex-IIC of Appendix-I and evidence in support such as certificate from the client(s)/employer(s) establishing the O&M experience.

(B) Financial Capacity: The Applicant, as defined in Section 2.2 above shall have a minimum Net Worth (the “**Financial Capacity**”), (refer Annex III of Appendix I), equal to 25% (twenty five percent) of the Estimated Project Cost of the project (as specified in Clause 1.1.1) at the close of the preceding financial year.

The Applicant shall have positive net cash accruals during any three years out of the last 5 financial years preceding the application due date.

In case of a Joint Venture, the combined **Technical Capacity** of all Members and the Net Worth, calculated separately, of each Member, who has and shall continue to have an equity share of not less than 26% (twenty six per cent) in the SPV, shall satisfy the above conditions of Technical and Financial Capacity. Moreover, each Member shall, till the end of Concession Period, hold equity share capital not less than 26% (twenty six per cent) of the subscribed and paid up equity of the SPV and not less than 5% (five per cent) of the Total Project Cost specified in the Concession Agreement.

However, any Member, except the Lead Member, may, with the prior approval of the Government in writing, which shall not be unreasonably withheld, reduce its shareholding to not less than 26 % (twenty six per cent) of the subscribed and paid up equity share capital of the SPV and/ and not less than 5 % (five per cent) of the Total Project Cost, after a period of 2 (two) years from the date of commercial operation of the Project, subject to all Members of the Joint Venture continuing to collectively hold at least 51% (fifty one per cent) of the subscribed and paid up equity of the SPV. However, the Member who will provide the O&M experience according to the Application shall subscribe and continue to hold at least 10% (ten per cent) of the subscribed and paid up equity of the SPV till the end of Concession Period.

2.2.3 The Applicants shall enclose along with its Application, to be submitted as per the format at Appendix-I, complete with its Annexes, the following:

(i) Certificate(s) from its **statutory auditors**¹ and the concerned client(s)/employer(s) stating the payments made/ received or works commissioned, as the case may be, during the past 5 years in respect of the projects specified in Clause 2.2.2(A) above. In case a particular job/ contract has been jointly executed by the Applicant (as part of a Joint Venture), he should further support his claim for the share in work done for that particular job/ contract by producing a corresponding confirmation on the aforementioned certificate; and

(ii) Certificate(s) from its statutory auditors specifying the net worth of the Applicant, as at the close of the preceding financial year, and also specifying that the methodology adopted for calculating such net worth conforms to the provisions of this Clause 2.2.3 (ii). For the purposes of this RFQ, net worth (the “**Net Worth**”) shall mean the sum of subscribed and paid up equity and reserves from which shall be deducted the sum of revaluation reserves, miscellaneous expenditure not written off and reserves not available for distribution to equity share holders.

2.2.4 The Lead Member of a Joint Venture shall submit a Power of Attorney for Signing of Application, as per the format at Appendix-II. Each Member of the Joint Venture separately shall submit a Power of Attorney for Lead Member of Joint Venture, as per the format at Appendix-III, providing

¹ “Statutory auditors shall mean the auditors appointed by the company in accordance with the provisions of the Companies Act, 2013/1956 (in India) or any equivalent law existing in the jurisdiction of incorporation of the Applicant/ Members of Joint Venture”.

In case duly certified audited annual financial statements containing explicitly the requisite details are provided, a separate certification by statutory auditors would not be necessary in respect of clause 2.2.3 (i). In jurisdictions that do not have statutory auditors, the firm of auditors which audits the annual accounts of the Applicant may provide the certificates required under this RFQ.

irrevocable authorisation to the Lead Member to conduct all business for and on behalf of the Joint Venture during the execution of the Project. Applicants applying as Joint Ventures may meet this requirement initially through the submission of a Letter of Intent to formally enter into a Joint Bidding Agreement, in accordance with Clause 2.2.6 (A).

2.2.5 Applicants are advised that, prior to the execution of the Concession Agreement, they will be required to form an appropriate Special Purpose Vehicle, incorporated under the Indian Companies Act 2013 (the “SPV”). Appropriate details for single entities and for Joint Ventures will be provided in the RFP. The Application of Joint Ventures shall include a description of the roles and responsibilities of the individual Members, particularly with reference to financial, technical and O&M obligations;

2.2.6 (A) For the purpose of making Application, members of Joint Ventures shall enter into a binding Joint Bidding Agreement, in the form specified at Appendix-IV (the “**Jt. Bidding Agreement**”) The Government will consider existing joint venture agreements of Applicants that are not in the form specified in Appendix IV, subject to its review and acceptance or submit a Letter of Intent to formally enter into a Joint Bidding Agreement upon being declared conditionally qualified by the Authority, subject to submitting an executed Joint Bidding Agreement, signed by all members named in the Application, at least 15 days prior to the Bid Due Date.

(B) Covering the period of three years prior to the date of Application and as relevant to the work under the Concession Agreement, an Applicant or its subsidiary shall disclose information concerning non-performance of a contract, based on fully settled disputes or litigation. A fully settled dispute or litigation is one that has been resolved in accordance with the dispute resolution mechanism under the respective contract and where all appeal instances available to the Applicant have been exhausted. Moreover, an Applicant shall disclose information concerning pending litigation. All pending litigation in total shall not represent more than 50% of the Applicant’s Net Worth and shall be treated as resolved against the Applicant. The Government shall consider the Applicant’s history of contract non-performance and pending litigation as part of the evaluation of Applications and in this context, reserves the right to reject Applications based on this evaluation.

2.2.7 The Technical Capacity and Net Worth of single Applicants or Joint Ventures under Clauses 2.2.2, 2.2.4 and 3.1 may include the Technical Capacity and Net Worth of their respective subsidiaries.

For purposes of this RFQ, the term “**Subsidiary**” shall be determined by law, contract or otherwise, according to controlling ownership of the assets of the subsidiary, policy direction and operational management by the single Applicant or a member of the Joint Venture.

|-----|---|-------|--|
| 2.3 | Change in Structure or Formation of the Joint Venture | 2.3.1 | <p>(A) Having qualified Applicants on the basis of, among other things, their Technical and Financial Capacity and, the structure of their Joint Ventures, the Government expects to invite bids only from Applicants who have been notified that they are qualified. Any changes in the structure or formation of an Applicant, after being qualified and invited to bid, shall be subject to the written approval of the Government prior to the Bid Due Date. Such approval shall be denied in the Government’s sole discretion, if, as a consequence of the change, the Applicant no longer meets the technical or financial qualification criteria set forth in Clause 2.2.2 or if in the opinion of the Government, a substantial reduction in competition may result. Further, change in the composition of a Joint Venture may be permitted by the Government, only where</p> <p>(a) The Lead Member continues to be the Lead Member of the Joint Venture;</p> <p>(b) The substitute is at least equal, in terms of Technical Capacity and/or Financial Capacity, as the case may be, to the Joint Venture Member who is sought to be substituted and the modified Joint Venture shall continue to meet the qualification criteria for Applicants;</p> <p>(B) Qualified Applicants shall submit requests for changes in the structure or formation of the Joint Venture to the Government not later than 30 (thirty) days prior to Bid Due Date, as specified in Clause 1.3. The Applicant shall, after approval of change in structure by the Government, submit to the Government, a revised Joint Bidding Agreement as specified in Clause 2.2.6 (A).</p> |
| 2.4 | Number of Applications and costs thereof | 2.4.1 | The Applicant has to electronically submit Application in the format at Appendix I |
| | | 2.4.2 | The Applicants shall be responsible for all of the costs associated with the preparation of their Applications and their participation in either the Qualification Stage or the Bid Stage. The Government will not be responsible or in any way liable for such costs, regardless of the conduct or outcome of the Bidding Process. |
| 2.5 | Site visit and verification of | 2.5.1 | Applicants are encouraged to submit their respective Applications after visiting the Project site at their own cost and ascertaining for themselves the site conditions, traffic, |

information		location, surroundings, climate, availability of power, water and other utilities for construction, access to site, handling and storage of materials, weather data, applicable laws and regulations, and any other matter considered relevant by them.
Availability of excise/custom duty exemption benefits.	2.5.2	Applicants may like to ascertain availability of excise/custom duty exemption benefits available in India to the contracts financed under World Bank loan/credits. They are solely responsible for obtaining such benefits which they have considered in their bid and in case of failure to receive such benefits for reasons whatsoever; the Government will not compensate the applicant.
2.6 Acknowledgement by Applicant	2.6.1	<p>It shall be deemed that by submitting the Application, the Applicant has:</p> <p>(a) Made a complete and careful examination of the RFQ and acknowledges and accepts the terms and conditions hereof including the limitations mentioned in the Disclaimer at the beginning of this document;</p> <p>(b) Received all relevant information requested from the Government;</p> <p>(c) Agreed to be bound by the undertakings provided by it under and in terms hereof.</p>
2.7 Right to accept or reject any or all Applications	2.7.1	<p>In case it is found during the evaluation or at any time before signing of the Concession Agreement or after its execution and during the period of operation of the Concession Agreement thereof, including the concession thereby granted by the Government, that one or more of the Qualification conditions have not been met by the Applicant or the Applicant has made material misrepresentation or has knowingly given any materially incorrect or false information, the Applicant shall be disqualified forthwith, if not yet appointed as the Concessionaire. If the Applicant/SPV has already been issued the LOA or has entered into the Concession Agreement and thereby, become the Concessionaire, as the case may be, the Concessionaire may, notwithstanding anything to the contrary contained therein, be terminated, by a communication in writing by the Government to the Concessionaire, without the Government being liable in any manner whatsoever to the Concessionaire and without prejudice to any other right or remedy which the Government may have under the Concession agreement, or under applicable law. The Bid Security or Performance Security of such Applicants / Bidders/ Concessionaire as the case may be, shall be forfeited.</p>
	2.7.2	<p>The Government reserves the right to verify all statements, information and documents submitted by the Applicant in response to this RFQ. Any such verification or lack of such</p>

verification by the Government shall not relieve the Applicant of its obligations or liabilities hereunder nor will it affect any rights of the Government there under.

- (vii) It contains certificates from its statutory auditors² in the formats specified at Appendix-I of the RFQ for each eligible project.
- (viii) It is accompanied by the Jt. Bidding Agreement (for Joint Venture), specific to the Project(s), as stipulated in Clause 2.2.6(A) or letter of intent to form a JV.

² In case duly certified audited annual financial statements containing the requisite details are provided, a separate certification by statutory auditors would not be necessary in respect of clause 2.17(g). In jurisdictions that do not have statutory auditors, the firm of auditors which audits the annual accounts of the Applicant may provide the certificates required under this RFQ.

3. CRITERIA FOR EVALUATION

- 3.1 **Evaluation of Technical Capacity** 3.1.1 Subject to the provisions of Clause 2.2, the following categories of experience would qualify as Technical Capacity and eligible experience (the “**Eligible Experience**”) in relation to eligible projects as stipulated in Clauses 3.1.3 and 3.1.4 (the “**Eligible Projects**”):

Category 1	Project experience on Eligible Projects in highways sector that qualify under Clause 3.1.3
Category 2	Project experience on Eligible Projects in core sector that qualify under Clause 3.1.3
Category 3	Construction experience on Eligible Projects in [highways] sector that qualify under Clause 3.1.4
Category 4	Construction experience on Eligible Projects in core sector that qualify under Clause 3.1.4

For the purpose of this RFQ:

Highways sector would be deemed to include highways, expressways, bridges, tunnels and airfields; and

Core sector would be deemed to include power, telecom, ports, airports, railways, metro rail, industrial parks/ estates, logistic parks, pipelines, irrigation, water supply, sewerage and real estate development³.

- 3.1.2 Eligible Experience in respect of each category shall be measured only for Eligible Projects.
- 3.1.3 For a project to qualify as an Eligible Project under Categories 1 and 2:
- (i) The Applicant should have undertaken as a PPP project on BOT, BOLT, BOO, BOOT or other similar basis for providing its output or services to a public sector entity or for providing non-discriminatory access to users in pursuance of its

³ Real estate development shall not include residential flats unless they form part of a real estate complex or township which has been built by the Applicant

charter, concession or contract, as the case may be.

For the avoidance of doubt, a project which constitutes a natural monopoly such as an airport or port should normally be included in this category even if it is not based on a long-term agreement with a public entity

- (ii) The entity claiming experience should have held, in the company owning the Eligible Project, a minimum of 26% equity during the entire year for which Eligible Experience is being claimed;
- (iii) The capital cost of the project should be more than 20 % of the Estimated Project Cost specified in Clause 1.1.1
- (iv) The entity claiming experience shall, during the last 5 (five) financial years preceding the Application Due Date, have (i) paid for development of the project (excluding the cost of land), and/ or (ii) collected and appropriated the revenues from users availing of non-discriminatory access to or use of fixed project assets, such as revenues from highways, airports, ports and railway infrastructure, but shall not include revenues from sale or provision of goods or services such as electricity, gas, petroleum products, telecommunications or fare/freight revenues and other incomes of the company owning the Project.

3.1.4 For a project to qualify as an **Eligible Project under Categories 3 and 4**, the Applicant should have paid for execution of its construction works or received payments from its client(s)/employer(s) for construction works executed, fully or partially, during the 5 (five) financial years immediately preceding the Application Due Date, and only the payments (gross) actually made or received, as the case may be, during such 5 (five) financial years shall qualify for purposes of computing the Experience.

However, payments/receipts of less than 20 % of the respective Estimated Project costs as specified in Clause 1.1.1 shall not be reckoned as payments/receipts for Eligible Projects. For the avoidance of doubt, construction works shall not include supply of goods or equipment except when such goods or equipment form part of a turn-key construction contract/ EPC contract for the project. Further, the cost of land shall not be included hereunder.

- 3.1.5 The Applicant may quote experience in respect of a particular Eligible Project under any one category only. The Applicant may quote experience, even though the Applicant (either individually or along with a Member of the Joint Venture) may have played multiple roles in the cited project. However, the Government will not accept double counting of experience for a particular Eligible Project in any form.
- 3.1.6 The Eligible Experience shall be multiplied by the respective **category factors** specified in Table 3.1.6 below to arrive at the “**Total Experience**” in Annex II of Appendix I.

Table 3.1.6: Factors for eligible Experience across categories

	Factor
Category 1	1.25
Category 2	1.00
Category 3	0.75
Category 4	0.50

- 3.1.7 Experience for any activity relating to a particular Eligible Project shall not be claimed by more than one Member of an Applicant applying as a Joint Venture. The Government will not accept double counting of experience in any form.
- 3.1.8 The Applicant’s experience towards O & M for the respective projects shall be as follows

Project No.	Single Road project (Four-Lane) of minimum length (Kms)
GSHP II /A1	50

3.2 Details of Experience

- 3.2.1 The Applicant should furnish the details of Eligible Experience for the last 5 (five) years immediately preceding the Application Due date.
- 3.2.2 The Applicants must provide the necessary information relating to Technical Capacity as per format at Annex-II A or B and C of Appendix-I, as the case may be.
- 3.2.3 The Applicant should furnish the required Project-specific information and evidence in support of its claim of Technical Capacity, as per format at Annex-IV of Appendix-I.

3.3 Evaluation of Financial Capacity

- 3.3.1 The Application must be accompanied by the audited Annual Reports of the Applicant (of each Member in case of a Joint Venture) for the last 5 (five) financial years, preceding the year

in which the Application is made.

- 3.3.2 In case the Applicant's annual accounts for the latest financial year have not yet been audited and therefore, the Applicant cannot make it available, the Applicant shall give an undertaking to this effect and the statutory auditor⁴ shall certify the same. However, the Applicant shall still comply with the requirement in para. 3.3.1 for audited Annual Reports for the other financial years preceding the year in which the Application is made.
- 3.3.3 The Applicant must establish a **Minimum Net Worth** of 25 % (twenty-five per cent) of the Estimated Project Cost of each project for which the Applicant has made Application, as specified in Clause 2.2.2 (B), and provide details as per format at Annex-III of Appendix-I.

⁴ In jurisdictions that do not have statutory auditors, the firm of auditors which audits the annual accounts of the Applicant may provide the certificates required under this RFQ.
