Opening Remarks:-

At the outset the Chief Engineer (WB) welcomed the representatives of various prospective bidders for the Civil work "Rehabilitation Savarkundla- Dhasa Road SH 21 and SH 236 packaged as "GSHP/II/NCB/06" . A brief status of the project was presented.

Chief Engineer (WB) mentioned that as per the bidding document written queries were to reach PIU one week before the pre-bid meeting. However no such written query was received in the stipulated time. He mentioned that PIU has received some written query a day or two before the pre-bid meeting most of which, he mentioned pertain to qualification requirements. He invited the attendees to raise any further matter they wish to get clarification on any of the aspects of the bidding document and the

project. Attendees were invited to give their further queries in writing today itself. Chief Engineer (WB) informed the attendees that PIU will review these requirements and shall convey in writing requisite clarification to each of the query.

In the end, Chief Engineer (WB) urged the attendees to thoroughly go through bidding document and comprehend stipulated requirements more specifically related to environmental and safety in giving their bids. The meeting ended with a vote of thanks to the chair.
